Περιγραφή:	

Centrally located terraced house with an unusual 10 car basement garage interconnecting to the garden. Property enjoys a front patio leading to a welcoming reception hall. Upon entrance a formal sitting room currently used as a study a spare toilet and store room. A very spacious and bright open plan kitchen living and dining room leads to a 100 sqm garden with pool. On first floor a front bedroom with balcony and ensuite family bathroom and two double bedrooms with a back drying terrace. A stairs leads to a washroom and full roof with potential for further development. Property is in need of minor modernisation and would make a lovely family home with great outdoors.
