Περιγραφή:	

This 2 bedroom apartment located on the 2nd floor, located in Funchal (Sé), stands out for the renovation carried out in 2026 and the comfort of a very central area in Funchal.

The kitchen is semi-equipped, providing a ready-to-use base.

The location is one of its great strengths, with proximity to shops, restaurants, public transport, schools and leisure spaces.

It also benefits from easy access to essential services such as pharmacies, hospitals and other urban facilities, making the area especially convenient.

It is an excellent opportunity to consider for those looking for a functional and well-situated property in the center of Funchal.

It does not have parking, the building does not have an elevator. - REF: 63A/2026
