Περιγραφή:	

This development offers 4 different house types designed to suit your life style. These houses all come with large covered terraces allowing you to make the most of Thailand's fantastic tropical warm weather all year round.

The choice of property types available are;

Type A: 3 Bedrooms, 3 Bathrooms with a living area of 196 Square Meters and land area of 440 Square Meters. The living room is separated from the main house, where entertaining guests without disturbing the family is possible. The detached living area is complemented by a large deck and terrace connecting it to the main house. Price 7.399,000 THB

Type B: 3 Bedrooms, 2 Bathrooms with a living area of 170 Square Meters and land area of 520 Square Meters. This split level house design has 3 bedrooms and a work area elevated from the rest of the house. Price 6,950,000 THB

Type C: 3 Bedrooms, 2 Bathrooms with a living area of 154 Square Meters and a land area of 392 Square Meters. This type is one of the most popular styles in the project with a large terrace starting at the front of the house and running along the side and between the master bedroom and dining area. Price

5,760,000 THB

Type D: 2 Bedrooms, 2 Bathrooms with a living area of 105 Square Meters and a land area of 446 Square Meters. An affordable house with an open plan living, dining and kitchen. Price 4,399,000 THB
