Περιγραφή:	

Just 10 minutes from the beautiful medieval village of Nanteuil-en-Vallee, this house, situated in a tiny hamlet, offers an exceptional living environment: close to amenities yet also very close to nature (with walking trails nearby). A great deal of work is required (the photos speak for themselves), but there is excellent potential for extension thanks to the adjoining barn. The land is largely undeveloped but offers a wonderful opportunity to give free rein to your landscaping imagination.

If you're looking for peace and quiet and a wonderful renovation project, you've found the right listing!
