Discover this modern new build apartment on the top floor, designed to enjoy the Mediterranean lifestyle thanks to its spacious interior spaces and magnificent private terraces.

The house has 67.50 m² built and a useful area of 152.02 m², distributed in a bright living-dining room with open kitchen, 2 double bedrooms and 2 bathrooms. Its layout makes the most of natural light and offers comfortable and functional spaces.

One of its main attractions are its large private terraces and spectacular solarium, with outdoor spaces perfect for relaxing, sunbathing, enjoying outdoor meals or sharing moments with family and friends throughout the year.

The house is part of a modern urbanization with a communal pool and garden areas, located in a quiet area of Torrevieja, very close to the Natural Park of the Lagunas de La Mata and a few minutes from the beaches, supermarkets, restaurants, shopping centers and all services.

It is an excellent choice both as a permanent residence, second home or investment, thanks to its contemporary design, its large private outdoor spaces and its excellent location on the Costa Blanca. -
