Περιγραφή:	Cozy home with great potential in San Fulgencio

Are you looking for a cozy home under the Spanish sun, in a nice location, and with the possibility to make it completely your own? Then this property in San Fulgencio is certainly worth discovering.

The house features 2 bedrooms, 1 bathroom and a separate toilet, a separate kitchen, and a pleasant outdoor area with a terrace and veranda. A lovely place to have breakfast outside, relax, or enjoy long Spanish evenings. ☀️

The house is ready to move into, but at the same time offers a great deal of potential. With a few minor adjustments and a personal touch, you can turn this into a particularly charming and atmospheric home,

entirely to your own taste.

An added bonus is the recently renewed air conditioning, no more than 2 years old, so you can enjoy comfort even during the warm summer months or winter.

The location is also a real asset: restaurants, bars, shops, and other amenities are located nearby and are easily accessible on foot. Moreover, the beaches of the Costa Blanca are located just a few kilometers away.

An interesting property for those looking for a holiday home, investment, or permanent residence in Spain, with a good location and opportunities to make it entirely your own.
