Περιγραφή:

Situated in a hamlet less than 10 minutes from Coursan, 20 minutes from the centres of Narbonne and Beziers, and 25 minutes from the beaches.

Set on a plot of 2109 m2, this historic former wine-growing estate comprises nearly 1500 m2 of buildings and offers numerous development possibilities. The property currently comprises three dwellings in need of renovation: a manor house with the potential for approximately 110 m2 of living space, a second house adjoining the farm building, with 180 m2 of living space, and a flat with approximately 60 m2 of living space. The remaining buildings - comprising former workers' cottages, stables, outbuildings and workshops - are currently classified as agricultural land. These vast spaces offer tremendous potential for anyone requiring large storage areas, as well as for an artist or craftsperson wishing to set up workshops for pottery, painting, sculpture, theatre or any other activity requiring spacious premises.

The possibilities are numerous and give free rein to the imagination, whether for a professional, artistic or

family project, or simply to enjoy an exceptional space.

The estate also benefits from beautiful, leafy surroundings, adorned with majestic plane trees, which lend the place a particularly pleasant atmosphere.

A superb historic property, a rare find on the market, which will appeal to lovers of authentic venues seeking space and a project with great potential.
