Περιγραφή:

Apartment August is the smaller of the two apartments and measures 45 square meters. It is perfect for one person and occasional visitors. Also for two people who like each other. Apartment August is small but nice. In principle, you can move in with just a small bag, because everything you need for living, cooking, working, and leisure is truly available. The amenities include a fully equipped kitchen with all cooking utensils, a dishwasher, a microwave/convection oven, and crockery. An Illy espresso machine including E.S.E. pods is also provided. Bed linen and bath towels are available. The spacious bathroom is equipped with a programmable shower toilet and a walk-in shower with a rain showerhead. A private washer-dryer is available in the laundry room. Weekly cleaning of the apartment is included in the price. Smart TV, as well as fast internet, streaming channels (Netflix, HBOmax), and hundreds of free-to-air satellite channels without regional restrictions are also freely available.
