Περιγραφή:	

This country house, just 6km from the town of Ruffec, is situated in a quite hamlet and offers plenty of potential for its future owner.

The property could easily be transformed into a 3-bedroom home by converting the existing attic space. It could also make an interesting rental investment, thanks to its location close to Ruffec and the main routes to Poitiers and Angoulême. Equally it would work well as a second home.

The house benefits from having an attached barn, which could be used to create a workshop, along with the smaller outbuildings providing additional storage. The house, barn and enclosed garden sit on a total plot of 700m². A separate woodland plot of 1156m², located 500m away, also forms part of the property. If you are looking for a peaceful setting while still being within easy reach of local amenities, this property is well worth a look. Book a viewing today.
