Excellent Plot of land with ruin for sale in SOPORTUJAR Granada Spain

Esales Property ID: es5554016

SOPORTUJAR,

GRANADA,

ANDALUSIA

For sale, a beautiful ruin with planning permission (now lapsed, but should be easily renewable) for large dwelling/ retreat/ wellness centre/hotel.

Just reduced from €89000 for quick sale.

Also included in the price is a large area of land surrounding the ruin (approximately 7 hectares/17 acres).

This property sits high up on the hills in the splendour of the Alpujarras on the edge of the national park, just above Soportujar.

Mountainside land, with indescribable views, including the far distant sea. New trees recently planted.

Building permission has been granted (now lapsed, but as once granted for three storey luxury retreat centre, it will highly likely be granted again for similar, and certainly a less ambitious project). It was approved for 9 en-suite bedrooms, two large spaces - one indoor, the other within the building, but in the beautiful mountainside openair, both ideal for yoga qigong, tai chi etc., or large gathering such as weddings/anniversary celebrations. /it also comes with a wonderful threshing circle.

Permission to drill a well has been granted; it has two reservoir licences; mains electricity has been negotiated with neighbouring dwellings. Well maintained semi-tarmacked road/camino.

Only the Buddhist Centre 'Osel-Ling', inaugurated by the Dalai Lama, Osel Iza Torres, is higher up. With its command of the valley, it would make a perfect retreat, wellbeing centre, or luxury dwelling.

Location coordinates 36 degrees 55' 50" N, 3 degrees 23' 51" W.
