RIJEKA, SUŠAK - Garage for sale 18 m2

A garage for sale in an attractive location in Rijeka, in the Pećine settlement, near the rotor and the road to Kostrena.

It is located in a residential area between family houses, so as such, its location already provides additional security.

If necessary, electricity should be connected, and if necessary "only" to power the motor for opening the door, a solar panel with a battery is a quick and efficient solution.

It is currently rented, so if the new owner wants to, he can extend and leave it in a long-term lease and thus start returning the investment.

For more information and an agreement regarding a viewing of the property, please contact us. A viewing of the property is possible only with the signature of a Real Estate Brokerage Agreement.

Dear clients, the agency commission is charged in accordance with the General Terms and Conditions. www.dux-nekretnine.hr/opci-uvjeti-poslovanja
