Prime Commercial Investment: 4-Star Boutique Beachfront Hotel Property in Novi Vinodolski!

Capitalize on a rare acquisition opportunity in one of Croatia's most scenic coastal destinations with this turnkey, 4-star boutique beachfront hotel for sale as a whole. Located directly on the pristine shores of Novi Vinodolski along the Kvarner Gulf, this newly renovated property delivers a high-performing hospitality business combining intimate luxury with exceptional investment returns.

Investment Highlights & Advantages

- **Absolute Beachfront Positioning:** Situated directly on the coast, offering immediate beach access and unobstructed, panoramic Adriatic sea views.
- **Turnkey Boutique Asset:** Recently modernized and fully optimized for seamless operational transition, requiring zero immediate capital expenditure.
- **Robust Financial Performance:** Backed by stellar online guest ratings and an established brand

reputation, making it an ideal cash-flowing asset for hotel portfolios or private investors.

Accommodation & Layout Specifications

Designed for privacy and comfort, the property features a total room count of **15 exclusive guest accommodations**.

- **Double / Twin Sea View Rooms:** Spacious units averaging **32 m²**, featuring premium soundproofing, modern private bathrooms, air conditioning, minibars, and private furnished balconies with striking pool and sea vistas.
- **One-Bedroom Sea View Apartments:** Generously sized at **32 m²**, these multi-functional layouts include a private bedroom alongside a comfortable integrated sitting area with a sofa bed, opening onto private terraces or balconies overlooking the sea.

Property Facilities & Amenities

- Outdoor seasonal swimming pool complete with a sun deck and lounging infrastructure
- On-site lounge bar and dedicated poolside beverage service
- Sunny breakfast terrace hosting a daily continental service area
- Secure private parking garage and high-speed Wi-Fi network coverage throughout
- 24-hour front desk reception, concierge services, and comprehensive luggage/laundry operations

Operational Metrics & Revenue Performance

The property benefits from exceptional demand dynamics inherent to the Kvarner Riviera tourism market. Driven by its boutique size and direct waterfront access, the hotel routinely achieves **peak-season occupancy rates soaring between 80% and 90%** across July and August. Shoulder months (May, June, and September) maintain steady, profitable mid-tier occupancies via international couples and cultural travelers.

In terms of revenue generation, average per-room monthly rates scale to peak premiums

during the height of the summer tourism season. Throughout the spring and autumn shoulder months, average room rates adapt strategically to capture extended-stay leisure demand, ensuring a balanced and resilient annual yield profile.
