Περιγραφή:	Industrial Pavilion - 300m ² - BARQUEIROS!

Located in Barqueiros, this industrial pavilion building of recent construction (2026) features an area of 300 m².

With east and west orientations that guarantee natural light throughout the day, it also has a private outdoor area at the rear of the pavilion.

The pavilion is in an advanced stage of construction, reflecting quality finishes and careful execution of the work. The interior space is spacious and well-proportioned, with a reception area and a WC.

The dual solar exposure ensures well-ventilated and bright environments both in the morning and at the end of the day, providing the overall space with above-average comfort and functionality.

The land on which the building is situated offers a solid foundation, with exterior space that complements the built structure.
