On a peaceful and pleasant location in the Viškovo area, a 3,480 m² plot of land is available, consisting of 1,200 m² of building land and an additional 2,280 m² of agricultural land.

The building portion offers the possibility of constructing a residential property, family home or another type of building in accordance with the applicable spatial planning regulations. The additional agricultural land provides extra space and further possibilities for use.

The property is located in a quiet area of Viškovo, away from the city crowds while still being conveniently close to Rijeka and all the amenities needed for everyday life. The location is particularly suitable for buyers looking for building land in Viškovo to construct their own home, make an investment or secure a property for long-term value.

With a total area of 3,480 m², including 1,200 m² of building land, this property represents an interesting opportunity for anyone looking for land for sale in Viškovo and the wider Rijeka area.

For more information about the land, its location, building possibilities and to arrange a viewing, please feel free to contact us.
