Great investment opportunity A duplex MAISONETTE with garage split into units making this property generate excellent rental. The property consists of a semi basement Maisonette with a very large open plan and front terrace shower room a double bedroom with closet and small internal yard. Having a massive open plan this unit could be easily turned into a two bedroom by creating a gypsum wall. At basement level with access from a front porch a studio maisonette with a small front yard. Also having a separate access for another studio with shower room a ensuite bathroom and kitchenette. Including in the price a spacious one car semi basement garage with a full basement under the garage and under all the driveway. Also having an interconnected storage under the ramp and front patio with access from the street which could also be rented separately. This property generates a minimum of 3000 monthly and would generate much more with short lets. Highly recommend for rental investors.
