Modern 3+1 Bedroom Villa in Fradelos | Comfort, Space and Quality in Every Detail

This could be the house you've always dreamed of!

We present this magnificent 3+1 bedroom villa, with modern architecture, large areas and a distribution carefully designed to provide comfort, functionality and quality of life to the whole family.

Located in the parish of Fradelos, this villa is spread over three floors basement, ground floor and floor offering generous, bright spaces adapted to the needs of contemporary family life.

Basement

A space designed to facilitate everyday life, consisting of:

Closed garage with capacity for 4 cars;
Laundry;
Terrace with direct access to the garden, creating a pleasant connection between the interior and the exterior.

Floor 0

The heart of the house stands out for its spaciousness and luminosity:

Furnished kitchen;
Living room and kitchen in open space;
Access to two balconies, one through the living room and the other through the kitchen;
Full bathroom;
Office with 13.10 m², with the possibility of being converted into a bedroom, adapting the house to the needs of your family.

Floor 1

The most private area of the house was designed to ensure comfort and privacy:

3 bedrooms, all en suite;
All rooms with balcony access;
Master suite with dressing room of 9.70 m²;
Built-in wardrobes in the remaining bedrooms.

Equipment and features

This villa was designed with special attention to comfort, energy efficiency and construction quality, with the following:

Full air conditioning
Heat pump
LED lighting
Aluminium frames with thermal break and thermal glass
Outer insulation in hood
Electric blinds
Central vacuum with machine
Pre-installation for solar panels
Pre-installation of video surveillance
Electric gates in garage and driveway

A project designed in detail for those looking for a modern, spacious villa prepared to provide comfort all year round.

With an excellent organization of spaces, generous areas, several outdoor areas and modern construction

Expected completion of the work: end of 2027.

Contact us to find out more information and to know all the details of this project.
