A detached house located in a quiet part of Privlaka, in Zadar County, with a beautiful sea view is for sale, just 400 meters away from a well-kept beach. The property was built in 2000 and covers an area of 210 m² of living space, situated on a plot of 146 m².

The house consists of ground floor and first floor, and due to its functional layout, it is ideal for a larger family or as an investment for tourist rental. The ground floor includes a spacious terrace, a kitchen connected to the living and dining area, three bedrooms, a bathroom, and a practical storage room located under the stairs. The first floor is accessed by external stairs, where there is a hallway, a kitchen with dining and living area, a bathroom, one bedroom, and an additional room currently used as a storage, but offering the possibility of being converted into another room. The first floor also features a terrace ideal for relaxation.
