Project Overview

Florenza Khamsin is a modern gated residential resort covering 24,271 sqm. Its apartments are set around three lagoon-style swimming pools, so the setting feels like a holiday all year round. The community has 24/7 security and professional property management, which suits owners who live abroad or plan to let their apartment. Because the resort is close to the marina and the main tourist areas, holidaymakers and long-term residents keep rental demand steady. A ready unit like this one can be used or let straight away, so it works as a permanent home, a holiday base or a rental investment.

Location

The resort is in the Al Arabia District, one of Hurghada's most established central neighbourhoods.

- 5 minutes to Hurghada Marina
- 5 minutes to Sheraton Street
- 5 minutes to the beaches
- 5 minutes to shops, supermarkets, restaurants and cafés
- 5 minutes to banks and everyday services
- 15 minutes to Hurghada International Airport
