Living by the sea, with the privilege of having the Algarve at your feet.

We present this charming 1 bedroom apartment with about 112m2, located on the 3rd and last floor, in a building without elevator and with few fractions, just 100 meters from the emblematic Fisherman's Beach in Armação de Pêra a truly privileged location, where the proximity to the sea is combined with comfort and tranquility.

The highlight of this property is its panoramic terrace of 53m2, a unique space that invites you to enjoy the Algarve climate, whether to have breakfast outdoors, relax in the late afternoon or simply contemplate the sun and feel the sea breeze.

As a complement to the terrace, the property also has an extra space (annex), a versatile area that adds functionality and value to the whole, allowing the space to be adapted to the needs of each owner.

The location is another of its great attributes. Here, you can leave the car and do practically everything on foot: the beach, shops, restaurants, cafes and services are just a few minutes away.

With a functional and welcoming distribution, this T1 is an excellent option both for permanent housing or holiday home, as well as for those looking for an investment in one of the most sought-after areas of the Algarve.

A property for those looking for more than a home: they are looking for the proximity of the sea, the light of the Algarve and the pleasure of living everything just a few steps away. - REF: 381/A/00290
