Imagine the beach just steps from your door, strolls along the promenade, and family moments overlooking the Mediterranean. In Santa Pola, this apartment offers a pleasant setting to fully enjoy life by the sea.

With two bedrooms and two bathrooms, it's ideal for a family seeking comfort and convenience. One bedroom with a double bed and another with two single beds allow each member to have their own space, while the two bathrooms make daily life easier.

The inviting living room opens onto a balcony with sea views, perfect for enjoying a coffee, relaxing together, or simply admiring the scenery. The fully equipped kitchen and furnished spaces complete this welcoming interior.

Its great advantage: the beach is about 50 meters away, allowing you to reach the sand on foot, enjoy a swim or improvise an excursion with the children without needing to use the car.

An apartment where proximity to the sea, views and layout combine to create the perfect conditions for making family memories.
