Περιγραφή:

Behind its welcoming façade, this beautifully renovated townhouse offers three floors of light-filled, thoughtfully designed living space, finished to a high standard throughout. Crowning the home is a roof terrace with uninterrupted views towards Meia Praia and the Atlantic Ocean.

Ground Floor

The ground floor is designed for relaxed everyday living and easy entertaining. The inviting living room is anchored by a fireplace, creating a warm focal point for cooler evenings, and opens onto a private terrace for morning coffee or evening drinks. A dining area flows naturally from the living space, while the fully fitted kitchen provides everything the keen cook could need. A guest cloakroom completes this level.

First Floor

Upstairs are three bright and airy double bedrooms all benefiting from built in wardrobes. The master bedroom is a true retreat, with its own luxurious ensuite bathroom and a balcony. The two further bedrooms share a stylish family bathroom, and both give direct access to the roof terrace.

Roof Terrace

A standout feature of this home. This sun-soaked terrace offers beautiful views towards Meia Praia and the Atlantic Ocean, making it the perfect spot for sundowners, summer dining or simply soaking up the panorama.

Basement Level

Far from a typical basement, this level benefits from natural light and offers versatile accommodation. A dedicated study provides a quiet space for working from home, and a toilet with laundry area adds practicality. There is also a large multipurpose room that is ideal as a cinema room, a place to relax, or a children's playroom, and opens onto an outside terrace.

Additional Features

Solar electricity, helping to reduce running costs and environmental impact

Tasteful renovation throughout

Three outdoor spaces: ground floor terrace, roof terrace and basement terrace, plus a balcony off the master bedroom

Combining generous, flexible living space with sea views and sustainable energy, this is a home that works equally well as a permanent residence, a family home or a holiday retreat. Viewing is highly recommended.
