Περιγραφή:	

A nice 180 sqm land plot for sale in Nai Harn, Phuket. The land is situated in a good location, only a 15 minute walk to the Nai Harn Lake which is an excellent walking and exercise area. Nai Harn Beach is just a few minutes past the lake.

This is flat land and easy to build. Electricity is already connected and there is already a water well on the land. There is a good concrete access road.

The land comes with a house plan for a 3-storey house with 4 bedrooms, a living area and a kitchen, and an open terrace on the 3rd floor.

Located in a central location in Nai Harn, it is a 5 minute walk to all the restaurants and massage shops.

Ownership is in a Thai person name. A foreign buyer would need to set up a company for the purchase, or can do a 30 year leasehold.
