Stone house for restoration consisting of 3 bedrooms, bathroom and living room with wooden floors, wooden windows with cons. Funds used for storage, compound property with small patio. Located in a parish in the city of Valencia, 8 minutes from it and the neighboring municipality.

Breathtaking views of the mountains, sunny, green and quiet, confined to a public path.

The toponym Gondomil seems to be of Germanic origin: it comes from the anthropologist Gontem "villa" of Guntemirus, although the people attribute its origin to the term "gois-mil" or "Goth-thousand", which

means a village with a thousand Goths, this aspect, therefore leads historians to claim to be very old this land. To attest to this antiquity we also have the toponyms, Crasto and Outeiro das Lajes. The first to remember the Castrejacivilizations and the second the possibility of Lajes being alusives to funeral sinks. Still, to confirm his past, we have the Roman bridge to remember that distant time.

About the history of this parish is transcribes in the integration that informs us the book " Collective Inventory of parish records Vol. 2 North National Archives Tombtower " : « In 1320, in the catalogue of churches, ordered to elaborate by King D. Dinis, for the payment of fee, Saint Kitts of Gondomil was taxed at 110 pounds. It belonged to the archediagado of Cerveira.
