- 600m2 of implantation area + basement
- 20% of the implantation area for

terraces About Loulé!

Today, Loulé is the economic center of the largest Portuguese municipality, where coastal villages live off tourism and the interior depends on trade and agriculture. On the outskirts of the city are some of the best known tourist areas of the Algarve, such as Vilamoura or Quarteira on the coast and Salir or Alte in the interior.

Very close to the city, nature lovers will be pleasantly surprised by the Protected Areas of Benémola and Rocha da Pena, which help preserve a different Algarve, full of native vegetation and where it is possible to make organized walks.

Loulé's carnival celebrations are among the most famous in Portugal, as well as its White Night and MED Festival!
