Descripción:

Very rare opportunity to purchase a traditional house with a large garden plot of almost 900 m2, located a stones throw from the river Gilao right in the centre and heart of coastal town Tavira in the Eastern Algarve. The property comprises of a main house split into a commercial space of approx. 125 m2 on the ground floor, in addition to a self-contained first floor apartment of 235 m2 offering a large terrace overlooking the garden. An independent, commercial building with an area of 60 m2 completes this rare find of a Tavira centre home. The property offers scope for a project for a property developer, a hotel tourism project or for a private investor looking for a centrally located home with large garden.
