Descripción:

Old house with 220m2 of implantation consisting of two floors in the locality of Roqueiro municipality of Oleiros. Surrounding area with annexes and backyard vegetable garden. All walls in Schist stone. Well located in the heart of the village and very close to the river beach of Açude Pinto, Camping Oleiros, river Zezere and winery of the Appalachians (good bed good table). This beach is called the golden beach with excellent support structures, namely, changing rooms, bar terrace, children's playground, picnic area, grills and parking. A real attractive area! The location of the house, due to its own physical and geographical context, can thus become your ideal place for permanent housing or holidays and perhaps a local accommodation due to the implicit potential.
