#### Descripción:

For sale is a property located at Barona Street 85 in Riga. Currently, it is a facade building with an area of 353 m2 (usable area 295 m2) and a land plot of 970 m2. This property offers the opportunity to renovate the existing building into a new multi-apartment project.

An Architectural and Planning Task (APT) is available, as well as new sketches of the multi-apartment building with a total area of 3000+ m2.

According to the sketch project:

Total area of the territory: 0.09 ha

Building density: 60%

Technical parameters:

Number of apartments: 41

Usable area: 2,848.30 m2

Number of above-ground floors: 6

Building height: 24 m

This property offers an excellent opportunity to create a new multi-apartment project with a large number of apartments and a spacious territory. Don't miss out on this chance to be part of Riga's development and invest in real estate. For more information or to arrange a viewing, please contact us.
