With Perfect Patio Project we have the bones of what could be a really lovely home, double fronted on a
great street with easy parking.
It has over all been maintained to keep the roof and the walls solid but is a total blank canvas, it could
become a wonderful holiday or full time home with 2 spacious bedrooms and good living spaces, of
course there are going to be wonderful views if you add a roof terrace to rear but the ground floor outside

You need imagination but I think whatever you put into Perfect Patio Project you would reap the rewards of having lovely home in the traditional Andalucian Village surroundings of Pruna.

space is waiting to become a cool tiled haven with enough room for a small plunge pool as well.
