ABOUT THE AREA

From picture-perfect weather, pristine beaches and top-rated attractions, to lavish hotels, eclectic dining and a thriving arts and culture scene, Miami has everything you need for the vacation of your dreams. Look forward to enjoying a mix of international sophistication, natural tropical beauty and authentic cultural diversity. Check out top things to do and places to visit in Miami.

Miami is most famous for its amazing weather and beaches, and they are spectacular, but the city also offers many unexpected gems. The best place to start is the diverse array of neighborhoods, where visitors are encouraged to explore the cultural roots that make Miami an incredible melting pot. Discover the heritage of the Caribbean in Little Haiti, or the city's Bahamian foundations in West Coconut Grove. Get immersed in the African-American experience of Historic Overtown or the thriving Miccosukee Native American community in South Dade.

It's not just the colorful lifestyles and fashions that bring South Beach to life. Admire the colorful

architecture lining iconic streets like Ocean Drive. Springing to life in the 1920s and 1930s, and often called the American Riviera, Miami Beach Art Deco was inspired by European trends in Paris and the Mediterranean, and introduced the city to new possibilities of vibrant colors and unique design. Thanks to preservation efforts, visitors can still enjoy these eye-catching beauties. Join a walking tour at the Art Deco Welcome Center to explore the area with an expert

Miami is one of the state's – and the world's – most popular vacation spots. Though destinations often are said to offer something for everyone, the Miami area does indeed offer multiple enticements for all: The trendy nightlife of South Beach, bejeweled by the eye candy of the Art Deco district. The bustle of Calle Ocho and the highly caffeinated energy of Little Havana. The plush hotels of Miami Beach and the historic hideaways of Coral Gables. Seemingly endless shopping opportunities in modern, sprawling malls and the quiet, personal attention offered by the family-owned shops of Coconut Grove and many other corners of the region. The lures of deep-sea fishing and golf and tennis.
