Descripción:

The ultra-contemporary development of apartments are located in an elevated position across five stylish low-rise buildings which benefits from a south-western orientation making the most of the sunsets over the Mediterranean. Open plan and contemporary design, the 2 or 3 bedrooms apartments and penthouses feature a large terrace area perfect for al fresco dining with spectacular views. Large oversized glass doors allow natural light to bathe the spacious interior areas and with neutral decor throughout each apartment will easily become a home once personalised. The configuration will depend on what type of apartment you choose but ample bedrooms boast fitted wardrobes and an en-suite double bathroom with the master bedroom also benefiting from a walk-in dressing room. A fully equipped kitchen featuring high gloss white units adds to the modern feel. The penthouses benefit from a stylish rooftop solarium where you can relax and unwind in your own private sanctuary. The location is ideal, walking distance from a wide range of amenities in the charming village of Cancelada, the golden beaches and close to several golf courses and the owners will have access to an exclusive Club House boasting a superb selection of leisure facilities including an indoor pool, sauna, social areas and on-site cafeteria.
