offers peace and tranquility while still being close enough to all amenities. The picturesque village square is dotted with numerous traditional tavernas that often host live music, for a real Cypriot experience. Just outside of the village, the famous 'Petra tou Romiou' or Aphrodite's Rock sticks out from the sea. According to Ancient legend, this is where Aphrodite, The Greek Goddess of Love and Beauty, was born.

Taking inspiration from traditional Cypriot architecture, this beautiful 3 bedroom bungalow feels typically Mediterranean while incorporating modern comforts. The villa is situated in an enviable position that provides spectacular views of the tranquil sea and rugged mountains. Quality fixtures and finishes feature throughout the property for a stylish and modern result. As the property is still under construction, internal modifications can also be made to suit the client's requests.

A charming garden surrounds the villa, with a large private swimming pool as the main feature. With both covered and uncovered seating areas, this is the perfect setting to enjoy the al fresco lifestyle that is synonymous with living in the Mediterranean.

A fantastic property in a peaceful and prestigious location.
