Descripción:

What a great investment opportunity this Provencal countryside estate with vineyard is.....

Although not in Cotiganc, the location of this fine vineyard property kept private, it is in the area nestled in rolling Provencal hillsides.

Equidistant from the airports of Nice and Marseille, 45 minutes from Saint-Tropez and the Gorges du Verdon, come and discover this great property on 38 hectares made up of forests, meadows, olive trees and 4 hectares of vines in the Cote de Provence AOC.

Within the estate you will find a charming stone built Provencal Mas and several stone outbuildings offering a very generous total living space of approx. 900 m2, pretty courtyards and arched doorways, perhaps you are thinking of running a vineyard gite/hotel business, guests are sure to be enchanted with the views overlooking the lush green landscape.

Other features of the property are the swimming pool and stables with career, both of these added benefits increase the potential of this property, ideal for future events business, equestrian business or perhaps you have something else in mind? Oh and there is more than enough space to add a helipad if need be.
