Descripción:

We present this wonderful duplex composed of a semi-basement and two floors of homes to move into in the best residential area of the Cruce de Arinaga. It is a perfect area to live in as it is very quiet and is ideal for families due to its proximity to schools, institute, renovated playground, supermarket, pharmacy,.... In short, everything you need to live comfortably and on short trips. In addition, just about twelve minutes away you can take a walk or a swim in the fantastic Arinaga Beach.

The duplex is located between party walls and has views towards the mountains. All windows have aluminum counter-windows, which favors privacy. It has air conditioning in the living room area and in the hallway on the upper floor so that it reaches all the bedrooms.

The semi-basement is used as a garage and also consists of a storage room, access to the cistern, a laundry area and the staircase that goes up to the ground floor. From the street, vehicles access via the ramp and the folding doors. The ground floor consists of a hall, a living-dining room, a hallway, a toilet with shower, a kitchen, a covered patio, thus taking advantage of its space as a dining room being well illuminated by the external sunlight, and the central staircase to the upper floor that consists of a hallway, a bathroom, two large bedrooms and a double bedroom with dressing room.
