Descripción:

This mezzanine floor enjoys a privileged location, presenting itself as the ideal option for those looking to establish offices or offices. The layout of this space is carefully thought out to maximise functionality and comfort, with five offices that allow for optimal privacy and the possibility of customising each work area according to specific needs. The kitchen, equipped to offer comfort and practicality, joins the large hall, which can be used as a reception or waiting area, providing a welcoming and professional impression to its visitors. In addition, it has a bathroom, ensuring comfort for both staff and customers. This property not only stands out for its efficient layout, but also for its potential to adapt to different types of professional activities, promising to be the perfect scenario for the growth and success of your business. -
