A beautiful untouched parcel of land that has belonged to the same family for generations. This is a very special piece of property that has ocean views from Playa Negra to Playa Grande from its mountain peaks. You will find many open pasture areas, waterfalls, native trees (many Guanacaste trees) in a peaceful environment. Only a 15-minute drive to Huacas and surrounding areas. Located near the small town of El Llano. Suitable uses would be for a massive private estate, eco-farm or even subdivide for homes. Water and power are on the property. Priced at a VERY competitive \$3/square meter. You will not find a better priced parcel of land this large in the booming Guanacaste region.
