Picture this: your very own slice of Bali bliss, a stone's throw from the gentle waves of Kedungu Beach! We're talking about a lush 410 square meter plot in the prestigious Pink Tourism Zone of Kedungu, yours for IDR 890,000,000. It's more than just land; it's a ticket to the Bali lifestyle, a blank canvas for your tropical sanctuary.

Right in Kedungu's heart, this spot mixes tranquility with easy access. Known for its lush scenery and rich culture, Kedungu's a stone's throw from some of Bali's most stunning beaches. Located in the elite Pink Tourism Zone, this plot's perfect for tourism ventures. Think luxury resort, a chic boutique hotel, or your private Bali hideaway. With hassle-free car access, the land connects you to Kedungu's hidden gems and Bali's vibrant culture, dining, and entertainment. A brisk walk, and you're at Kedungu Beach! Embrace daily beach vibes, with gentle waves and unforgettable sunsets. This land in Kedungu's Pink Tourism Zone is a hot pick for investors and dreamers. Bali's property market's booming, and this plot is ready to join the island's tourism surge. Ideal for a savvy investment, a hospitality project, or your personal retreat. Freehold means full control and security. No lease limits, just freedom to build, grow, and enjoy your Bali investment.

To sum up, this 410-square-meter freehold land in Kedungu's Pink Tourism Zone is your chance to bring your Bali dream to life. With its Pink Zone status, easy access, and proximity to the beach, this property's perfect for investors, developers, or anyone after a piece of Bali. Seize this chance to own a piece of Bali's magic – your journey to a Bali dream starts now!
