Descripción:

Located in The Crane.

Uniquely positioned as a gated residential community within the gated Crane Resort, The Crane Private Residences master-planned luxury development will consist of five residential buildings, each housing spacious (1,916 to 3,619 sq. ft.) one-bedroom, two-bedroom and three-bedroom residences. Spread over five acres, each building makes an impressive statement with clean architectural lines complementing the distinctly Barbados coral stone finish on the lower walls.

Ground floor residences boast large private pools, while penthouse residences include private roof decks that command sweeping coastal views, dining gazebos and swimming pools. Ideal for long-term living, the private residences feature underground parking from which an elevator transports residents directly to the foyer within their residence.

Bright and expansive, each residence features large kitchens complete with granite counter tops; spacious, private patios perfect for dining, lounging and entertaining as well as generously scaled natural stone bathrooms with large soaker tubs and glass showers. Residents wake up to a dream, as the grand master bedrooms face the same dramatic views as the living spaces, while the secondary bedrooms welcome in the greenery of tropical internal gardens.
