Unveiling Paradise: Prime Land Awaits in Boquida Subdivision, Siquijor

Nestled on the mystical island of Siquijor, Boquida Subdivision presents a remarkable opportunity for developers seeking to tap into a thriving tourism market. This pristine land, boasting both mountain and ocean views, offers the perfect canvas to create a residential haven for those seeking a slice of paradise. Priced at 6000 pesos per square meter or 99 Euro per square meter.

A Pioneering Legacy: The First Residential Development

Boquida Subdivision holds a special place in Siquijor's history. It stands as the island's very first residential land development, paving the way for a more vibrant and diverse community. This established legacy speaks volumes about the potential this location holds.

Flexible Options for Diverse Needs:

Boquida Subdivision caters to a variety of needs with its 145 lots ranging from 89 to 700 square meters. Smaller plots, ideal for cozy bungalows or vacation rentals, have already found eager buyers. The remaining land presents exceptional options for:

- * Spacious family homes: Design luxurious residences with ample living space, perfect for families seeking a permanent escape or a vacation getaway.
- * Charming condominiums: Cater to the growing demand for low-maintenance, secure living options with well-appointed apartments.
- * Boutique hotels: Embrace the island's charm and create intimate hotels that offer personalized experiences for discerning travelers.

Competitive Pricing for Smart Investment:

Boquida Subdivision offers competitive pricing, with plots starting at just ₱6,000 per square meter. This attractive price point allows developers to maximize their return on investment while attracting a broader range of buyers or renters.

Security and Peace of Mind: A Gated Community

Boquida Subdivision prioritizes the safety and security of its residents. As a gated community, it will provide a serene and secure environment for families and individuals to relax and enjoy their island lifestyle.

Location: The Perfect Blend of Convenience and Tranquility

Strategic location is key to a successful development. Boquida Subdivision strikes the perfect balance:

- * Just 3 kilometers away from the town center: Residents will have easy access to essential services and local businesses, ensuring a comfortable and convenient lifestyle.
- * Walking distance to essential amenities: An elementary school and a medical center are located within walking distance, offering peace of mind for families with young children or those seeking immediate medical attention.
- * Tourist havens at your fingertips: Popular tourist resorts are a mere 10-minute drive or motorbike ride away. Residents can enjoy the best of both worlds: a tranquil home base and easy access to the island's vibrant tourist scene.

Unveiling Paradise: A Canvas for Your Vision

The breathtaking mountain and ocean views surrounding Boquida Subdivision set the stage for an exceptional development. Imagine homes with expansive balconies offering panoramic vistas, where residents can unwind and embrace the beauty of nature. The possibilities are endless. Develop lush landscaping that blends seamlessly with the natural environment. Create a resort-style atmosphere with recreational areas, and community spaces that foster interaction among residents.

Investing in a Dream: Own a Piece of Paradise

Boquida Subdivision presents a compelling opportunity for investors and developers. It's more than just land; it's a chance to create a thriving community, a haven for those seeking a life steeped in serenity, natural beauty, and convenient access to all that Siquijor has to offer.

Don't miss out on this unique chance to build your vision in paradise. Contact us today to learn more about Boquida Subdivision and discover how you can be a part of this exciting development.

About the Area
