Descripción:	

Stunning residential building that features a range of 1 bedroom apartments to luxurious master duplexes, spread over 14 spacious units. Situated in Faro, the bustling capital of the Algarve region, this impressive 2,000 m² building aims to expand the potential of the city's real estate market. With its innovative architecture and prime location, investing in this property is a rare opportunity that should not be missed.

The development was designed for families who value well-being, quality of life and safe investment. The highest apartments, from the 4th level onwards, will have a view of the sea ría formosa and at the top of the building, the two premium 3 bedroom duplex apartments will have two respective swimming pools on their rooftop where you can enjoy a beautiful sunset with an even more privileged view.

Each apartment is an expression of contemporary luxury, with generous interior spaces, top-of-the-line finishing materials, and a spacious balcony offering stunning views. The attention to detail raises the bar,

providing an unparalleled living experience.

The development was designed for families who value well-being, quality of life and safe investment.
