REDUCED in price - A house with potential built on a full basement you will find a solid house, with beautiful volumes. Perfect for a large family, on the ground floor you will find a bedroom, a large living room-kitchen, a toilet and a storeroom. Upstairs 4 bedrooms, a shower room, WC, a bathroom. The attic is insulated as well as the enormous basement.

One of the great qualities of this property is on the one hand its location, in a quiet cul-de-sac (6 minutes from Quimperle and 7 minutes from the expressway) and above all, especially its large building plot of 1620 m2.

You therefore have the possibility of grading this large plot of land for yourself or of parting with it.

The department of Finistere has a feeling of being carved out of the earth by the sea and is the wildest area of Brittany, it is also the most western of all French departments. The name Finistere comes from the Latin phrase 'finis terrae', meaning 'land's end'.

It has the English Channel to the north, Cotes-d'Armor and Morbihan to the east, the Bay of Biscay to the

south and the Atlantic Ocean to the west.

Quimper, the department's capital, is located to the south and has a distinctive Breton character just like all the main towns such as Brest, Chateaulin, Morlaix and Quimper. Over a third of the area is covered with forest, moors and scrubland.

Along the coast, farmers divide their time between commercial fishing and working their small farms. To see the Fish-markets, Douarnenez is worth a visit as is Brest which is on the west coast and is also a major naval port.
