Descripción:

This contemporary 3 bedroom detached house is located in a quiet and privileged location, with breathtaking panoramic views of the sea and the mountains. Built with high-quality materials and equipped with a variety of modern solutions, this home offers maximum comfort, privacy, and energy efficiency, making it ideal for those looking for a serene and sophisticated lifestyle.

Housing Features:

Prime location

Located in a quiet area, this villa offers stunning views of the sea and the mountains, providing a perfect environment for those who want to be in contact with nature.

Design and Comfort

The house has three spacious suites, and the master suite is equipped with a walk-in closet, offering an atmosphere of comfort and privacy.

Quality Construction

Structured with double walls and horizontal roof with external insulation, the villa features excellent thermal insulation, complemented by double-glazed windows, ensuring a comfortable internal temperature throughout the year.

Energy Efficiency

Modern equipment such as solar panels and a 300L water heater, with a circuit breaker shutdown system, ensure efficient energy management and optimized consumption.

Sustainable Heating

The villa has a biomass fireplace with a heat recovery system, ideal for heating environments in an ecological and economical way.

Garage and Storage

The house has a spacious garage for two cars and a storage space on the ground floor, and there is also the possibility of parking on the road.

Social and Leisure Space

The first floor offers a bright and spacious living room with access to a balcony, a fully equipped modern open space kitchen, as well as an outdoor leisure area with barbecue, garden and toilet.

Private Balconies in Suites

On the second floor, the three suites have private balconies and full bathrooms, offering a comfortable and reserved environment.

Conservation Status

Despite needing minor maintenance, such as painting, the house is in excellent condition and has an annual IMI of 407.91.

Virtual Tour

The villa has a virtual tour available for potential interested parties, allowing a detailed exploration of the property without leaving home.
