Descripción:

This 14.1 are (1,410 sqm) plot of land in Pangkung Tibah offers a unique opportunity for investors seeking a tranquil environment in close proximity to the beach. Situated in a highly desirable ****pink zone****, this land is ready for both residential or commercial development, making it an excellent choice for those looking to build a private villa, guesthouse, or boutique resort. The property's zoning classification ensures flexibility in future developments and makes it appealing to a wide range of investors.

The land is located just a quick 2-minute motorbike ride to the beach, making it a perfect retreat for those who appreciate coastal living. Surrounded by lush green rice fields, this plot offers a serene and calm atmosphere, ideal for those who want to escape the hustle and bustle of more developed areas like Canggu. The area's natural beauty and tranquility make it a perfect choice for eco-conscious projects or nature-inspired accommodations. Additionally, the relatively undeveloped surroundings offer a sense of privacy and exclusivity, adding to the land's long-term investment appeal.

With Pangkung Tibah being a growing hotspot in Kedungu, the land holds significant potential for capital appreciation. Investors can benefit from the increasing demand for properties in quiet, less commercialized areas while still being within a short drive to bustling towns and tourist attractions. This plot, with its proximity to the beach and peaceful surroundings, is perfectly positioned for future growth and offers a solid foundation for anyone looking to invest in Bali's thriving real estate market.
