ViaVia Valparaiso 5 Bed Boutique Hotel For Sale In Valparaíso Chile

Esales Property ID: es5554382

Almte. Montt 217, 2340000

Valparaíso, Chile

Beautiful property located in the heart of Cerro Alegre, in an area of significant tourist and commercial activity. Just steps away from the most beautiful funiculars and viewpoints of Valparaíso.

This is an Art Deco style residence in excellent condition, featuring a garden and garage. It was built between 1936 and 1940 and remodeled into a Hotel-Restaurant in 2009 by the current owners. The renovation preserved the original architectural elements: windows and doors with metal frames, original

wood floors, and staircases.

The property has two access points. The first leads to a central street in Cerro Alegre, where there is a garage or space that could be used for a small shop. The second access opens onto an important pedestrian passage that connects to one of the iconic funiculars of the port.

On the first level, there is an apartment with one bedroom, living/dining room, kitchen, and bathroom. The second level includes the entrance hall, reception area, spacious dining room, bar, fully equipped kitchen, walk-in fridge, storage room, and 2 bathrooms. On the third level, there are four bedrooms, each with its own private bathroom. Some bedrooms have balconies and/or exclusive views of the bay and the hills of Valparaíso.

Additionally, the property has beautiful outdoor terraces and two service bathrooms. Hot water is provided by solar panels located on the roof.

The property and business are ideally sold as a turnkey operation, including all equipment and the associated permits/licenses (liquor license).

The restaurant is furnished with Thonet chairs and tables, accommodating approximately 25 people indoors and 25 people outside in the garden. The kitchen is equipped with extraction hoods, gas stoves, ovens, microwaves, refrigerators, and freezers.

Immediate availability.

Price: 400 000€ for the building alone (excluding the business = furniture and licences), the business containing the license and furniture is also for sale, asking price : 55 000 euro.
