Descripción:

This warehouse of 460 m² built and 250 m² useful, located on the ground floor of a building, is offered. Although it requires renovation, it is a versatile space with great potential to adapt it to various commercial activities, especially as a workshop.

Key features:

Surface area of 460 m², with a functional layout that includes two rooms, a toilet or bathroom and a warehouse archive, ideal for additional storage.

Location on the ground floor, facilitating access for loading and unloading.

Façade of 1 linear meter, allowing a discreet but effective identification of the business.

This place is an excellent opportunity for entrepreneurs or companies that need a large and adaptable space.
