"Whether you want to buy, sell, find the ideal holiday home or entrust the management of your property in the Algarve, Casa & Key Algarve offers much more than a traditional real estate service.

We believe that every client deserves close monitoring, transparency and someone who truly understands what it means to change their life, invest in a new country or find a real home.

We know the Algarve in-depth and follow every step of the process from finding the right property, documentation and bureaucracies, to connecting with professionals and essential services so that the transition is simple, safe and smooth.

More than business, we build lasting relationships of trust."
