The Volony Omerli Mansions project is located in the Omerli area of Cekmekoy and is a unique villa project in Istanbul, the project is surrounded by vast green forests overlooking the Riva River. The project offers a new experience of living in harmony with nature in the heart of the forest with fresh air and pristine beauty. Here you can spend every day in a comfortable environment away from the city center.

Quality materials and modern styles are used for the villas in this project. The affordable housing has 4+1, 5+1, 6+1 and 6+2 layouts designed with elegant details and traditional European architecture, creating coziness and comfort in one of the most environmentally friendly areas. This extraordinary landscape, among oak trees and other types of greenery, is ideal for nature lovers looking for a peaceful atmosphere.

This project is built by Colony Group, a company known for its impeccable reputation in the Turkish market, which stands out for meeting the needs of elite customers with high-quality standards. This
