A beautifully renovated and furnished 2-bedroom apartment is available for sale in a great location. This property is located in the best part of District VI, just a few minutes' walk from the Nyugati train station and the iconic Parliament building in District V, on a renovated section of tree-lined Podmanický utca street. There are excellent public transportation options here: tram lines 4-6, metro line 3, and several bus and trolley lines are all within a few hundred meters (3-minute walk).

The apartment is located on the 2nd floor of a well-kept turn-of-the-century building, which has an elevator and large windows facing the street.

It consists of a spacious sunny living room with open plan kitchen and dining area, a very large master bedroom with en-suite bathroom, a guest bedroom/home office with shower and a guest toilet.

The apartment was recently and completely renovated and remodeled in 2024-2025, with new plumbing and pipes, new electrical system and wiring, new bathrooms, new kitchen, new real oak parquet flooring laid in a herringbone pattern, new sound and heat insulated windows, air conditioning, new lighting, etc. There is a new custom kitchen and large built-in wardrobes.
