Descripción:

Situated in the sought-after community of Laderas del Sol in La Florida, this end-of-terrace townhouse offers a well-balanced mix of indoor comfort and generous outdoor space.

Set across two levels, the home welcomes you with a bright and airy living-dining area on the ground floor, complete with air conditioning for year-round comfort. The separate kitchen comes fully fitted with appliances and leads to a utility room – perfect for additional storage. This level also includes a double bedroom with air conditioning, along with a bathroom with walk-in shower.

Upstairs, you'll find two further double bedrooms, both equipped with air conditioning. The twin bedroom includes access to a private balconette and a large built-in storage cupboard that could easily function as a wardrobe. A second bathroom serves this floor, and from the landing you have access to a private balcony.

Outside, the property boasts several terraced areas ideal for entertaining or simply relaxing. As part of the Laderas del Sol development, residents have access to a well-maintained communal pool and garden.

With its flexible layout, practical features, and desirable setting in Lago Sol-La Florida, this home is well suited to both permanent living and holiday use.
