Descripción:

Set at a peaceful 326 meters above sea level, this impressive 3-level residence offers a unique blend of spaciousness, privacy, and comfort. Originally built in 2003 and tastefully remodeled in 2025, it combines solid construction with fresh, modern updates ready for you to move in and enjoy from day one.

With a total area of 377 m² and a flexible layout designed for functionality and lifestyle, this property is ideal as a permanent family residence or a secondary holiday home. Whether you work remotely, love to entertain, or simply value space and views, this home delivers.

Layout & Lifestyle Features

On the ground floor, you're welcomed by a light-filled living room that opens into a functional kitchen, perfect for everyday living or casual hosting. A guest toilet, spacious laundry room, and verandas with mountain views complete this level offering indoor-outdoor living that maximizes natural light and fresh air.

The first floor features two bedrooms and a well-appointed bathroom, making it an ideal private space for family or guests.

The standout third-floor loft offers endless potential. With a large open room, veranda, full bathroom with shower, and a bright living and dining area, this level works beautifully as a home office, guest suite, or creative studio.

A private garage provides convenience, security, and additional storage space.

Why This Home?

This property is more than just square meters and walls. Its about lifestyle, flexibility, and value. Whether you're relocating, downsizing, investing, or seeking a retreat with room to breathe, this home offers quality finishes, privacy, and multiple uses across three distinct levels.

Its loft-style top floor adds versatility and charm rarely found in similar homes. Combine that with verandas, views, and a fresh 2025 remodel, and you have a move-in ready property that stands apart.

Perfectly suited for remote professionals, couples who love to host, families needing space, or those seeking a second home in a calm yet connected setting.
