Ref MA19

This house is located on the second floor with a lift. The apartment with high ceilings consists of 3 bedrooms with 3 bathrooms and 3 full bathrooms, 2 of them with their own bathrooms, one of them with a bath and shower, a living room, a dining room and an equipped open kitchen.

The apartment has natural wood finishes, LED lighting and lighting kits that will allow you to maintain excellent lighting in the house. Sold furnished.

The building was designed by the famous architect Antonio Lamela, who also remodeled the stadium and promoted several sports city projects.

The air conditioning of the house is individual, heating with natural gas and air conditioning. The location of this house is privileged: it is a few steps from the Cuzco metro station and has the entire bus network of the Paseo de la Castellana.
